

Kent
Champion® 28
Large-Area Vacuum

Ideal Applications Include:

- Hospitality Industry
- Contract Cleaners
- Institutions
- Educational Facilities
- Nursing Homes

Designed for large carpeted areas, the Champion® 28 thoroughly vacuums a 28 inch (71 cm) path in one pass. No need for back and forth movement.

The Champion® maneuvers easily around obstacles. Its motorized carpet brush helps propel the machine, minimizing operator fatigue, and it adjusts to any carpet pile. The chevron bristle pattern draws dirt to the vacuum intake for efficient cleaning.

A ½ hp brush motor drives the carpet brush at 1,300 rpm for effective dirt and debris recovery. Squeeze-grips control the brush on/off.

The dual 1½ hp vacuum motors provide generous pick-up power for thorough cleaning. Both motors are

Optional Accessories Include:

- Microstat® filtration kit (filters to 99.94% efficiency on 0.3 micron particles)
- Disposable paper filter/collector bags

protected from dust by secondary filters, which remove easily for cleaning and inspection. (An optional Microstat® filtration kit provides 99.94% effective filtration of 0.3 micron particles.)

The standard cloth filter/collector bag on the Champion® is big, holding over 1 bushel (39.5 L), and giving more productive cleaning time. Paper bags are also available, and a hinged access door gives easy access to change or empty the bag.

Simple fingertip controls make operation easy, and a built-in hose and wand on the Champion® adds convenience for off-the-floor cleaning.

Kent Champion® 28 Large-Area Vacuum

Dual vac motors provide great pick-up power. Filters protect motors, remove for cleaning.

Easy-to-operate controls include squeeze-grip brush on/off, vac motor switch, wand selector.

Top-loading collector bag assures max capacity. Disposable paper bags available.

Built-in hose and wand is perfect for quick, off-the-floor clean-ups on steps or furniture.

Control knob switches vacuum air flow from floor to hose/wand for off-floor cleaning.

Squeeze-grip handles control carpet brush on/off.

Tough, roto-molded polyethylene housing has 8-year warranty.

8-position adjustment sets the carpet brush height for any carpet pile.

Hinged bag door gives access to collector bag. Compartment is sealed to confine dust.

8 in (20 cm) wheels give easy rolling on all surfaces.

Dual 1½ hp vacuum motors are protected by secondary dust filters. They are easy to access for cleaning and service.

Two 2 in (5 cm) twin casters make steering maneuverability easy.

1,300 rpm chevron brush moves dirt toward vacuum intake for efficient pick up.

Optional Microstat® filter available
(99.94% efficient on 0.3 micron particles)

Technical Specifications

Vacuum Motor:	Two 1½ hp, single-stage, 115 V/60 Hz	Noise Level:	70 dB A at operator's position
Brush Motor:	½ hp, 115 V/60 Hz	Built-in Hose/Wand:	14 in (36 cm) hose stretches to 56 in (142 cm). Wand is 24 in (61 cm) long.
Brush Speed:	1,300 rpm	Power Cord:	75 ft (23 m) long, 14/3 wire. Yellow color for safety.
Brush:	25½ in (64 cm) long x 2 in (7 cm) diameter, w/nylon bristles in chevron pattern.	Wheels:	Two 8 in (20 cm), non-marking rear wheels, two 2 in (5 cm) twin swivel front casters.
Brush Adjustments:	Brush has 8 height settings for various carpet piles, and 2-positions to adjust for brush wear.	Dimensions:	Length – 41 in (104 cm) Width – 29½ in (75 cm) Height – 38 in (96.5 cm)
Collector Bag:	1 bushel (35 L) capacity. Cloth bag is standard, disposable paper bags are optionally available.	Weight:	Net – 111 lb (50 kg) Shipping – 129 lb (58 kg)
Vacuum Intake:	25½ in (65 cm) wide opening.	Part Number:	56 648 330
